

100-32 Rock Check Dam

(This section last updated 08-17-16)

Refer to Section [10C-1](#) for guidance on bid item quantities.

Refer to Section [10C-2](#) for more information regarding filling out this tab.

The calc file assumes if you type in .1 for Average % Slope, you mean 10%. If you type in .01, the calc file assumes you mean 1%. To enter a slope less than 1%, type in a 0.X, i.e. type a 0 before the decimal point. For example, type in 0.6 for a slope of 0.6%, 0.8 for a slope of 0.8%, etc.
