
106-5 Areas for Pavement or Base Widening

(This section last updated 01-15-14)

For a list of available unit weights for use in the calculations note, as well as where to use them, refer to [1B-4](#).

When HMA is bid by weight, include the item for Asphalt Binder. When HMA is bid by area, the item for Asphalt Binder is not included. See [Article 2213.04, E](#) of the Standard Specifications
