

# Public Hearing

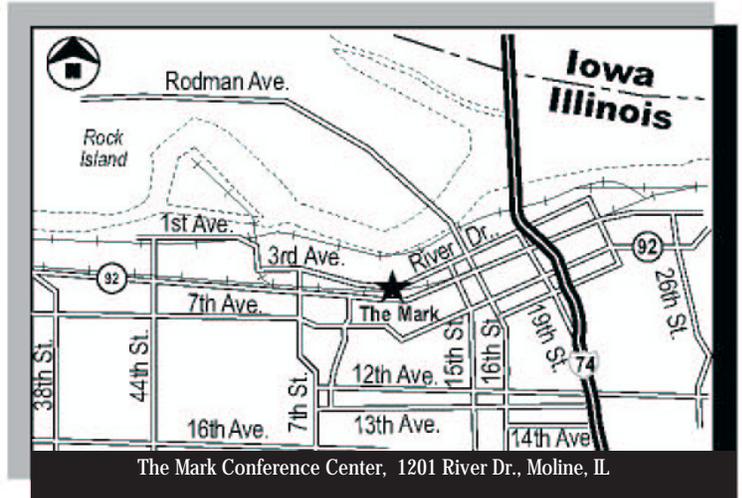

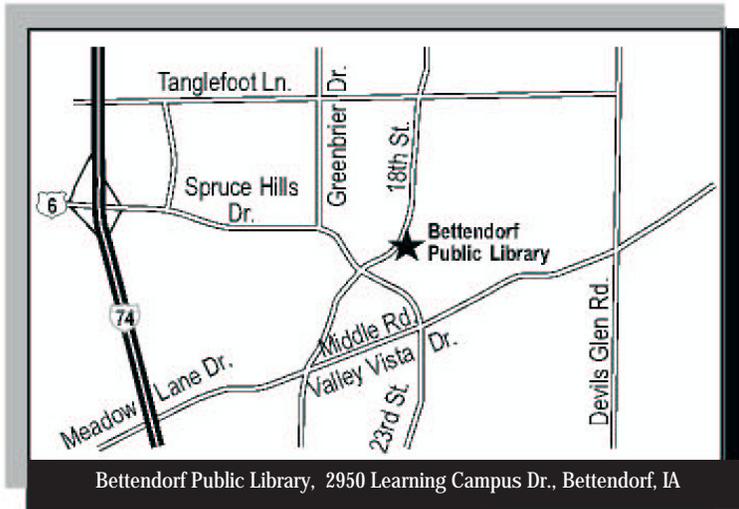

The Iowa and Illinois Departments of Transportation, in cooperation with other agencies and elected officials, have examined improvement options for I-74 from 23<sup>rd</sup> Avenue in Illinois to 53<sup>rd</sup> Street in Iowa. Two public hearings are scheduled to explain the major findings of the corridor study, to present the Draft Environmental Impact Statement (DEIS), and to encourage public comment. The same information will be presented at both hearings, including:

- A summary of the alternatives that were considered;
- Alternatives still under consideration;
- Potential adverse and beneficial effects of the alternatives;
- Opportunities for public comment.
