

# Public Information Meeting

Iowa Department of Transportation

Illinois Department of Transportation

The Iowa and Illinois Departments of Transportation, in cooperation with other agencies and elected officials, have continued their refinement of the improvement options for I-74 from Avenue of the Cities in Moline, Illinois to 53<sup>rd</sup> Street in Davenport, Iowa. A major component of this project is the replacement of the current I-74 river bridges. A public information meeting is scheduled to share the results of the preliminary bridge type study and to encourage public comment. Information presented at the meeting will include:

- Project background and a review of progress to date
- The preferred roadway alternative
- Bridge types considered and method of evaluation
- Finalist bridge types
- An introduction to the corridor aesthetics team and its function

Date: May 23, 2006

Time: 4 – 8 P.M.

Place: The Mark (Conference Center)  
1201 River Drive  
Moline, IL

You can attend the meeting anytime between 4 and 8 p.m. Additional bridge type information sessions will be held every one-half hour beginning at 4:30 p.m.
