DOT administrative rules affected by new legislation

(Please note that other administrative rules may need to be updated. This list does not include all the rule changes that may be needed.)

HF 2206	Provides for the waiver or variance of administrative rule requirements. Requires all agencies to semiannually report actions relating to waivers and variances granted or denied to the Administrative Rules Coordinator and the Administrative Rules Review Committee. <i>(See section 1.)</i>
HF 2368	Allows a local authority to issue a special permit based on a statewide standard developed by the DOT allowing the operation over a bridge within its jurisdiction of a fence-line feeder, grain cart or tank wagon of excess weight. <i>(See section 1.)</i>
HF 2423	Requires the DOT to amend existing administrative rules for local development projects under the RISE fund to include a rating factor for remediation or redevelopment of a brownfield site. <i>(See section 6.)</i>
HF 2538	Requires the DOT to adopt rules concerning a pilot project for waiving or refunding fees for renewals or duplicates of identification cards and driver licenses issued by the Department. <i>(See section 5.)</i>
SF 2147	Requires the DOT to adopt rules concerning the method for providing signatures for applications made by electronic means. <i>(See section 41.)</i>
SF 2329	Requires the DOT to adopt rules concerning hours of service for drivers of vehicles operating for hire and designed to transport more than eight persons, including the driver. The rules will not apply to vehicles offered to the public for hire that are used principally in intracity operation and are regulated by local authorities. <i>(See section 3.)</i>
SF 2453	Requires the DOT to adopt rules concerning the Aviation Hangar Revolving Loan Fund. <i>(See section 35.)</i>
